SIMPLE & EASY

One Member ID for Everything

2 easy steps to access your Member ID

1. Visit the link: deltadentalwa.com/idcard/validation
2. Enter your information and click "continue" to see your Delta Dental Member ID.

Optional: Screenshot your ID to save for later.

No more social security number or date of birth

Using your social security number and date of birth may only show old insurance coverages or no coverage at all. To avoid confusion, the best way to access your active benefits is using your Delta Dental Member ID.

You can also access your member ID and other helpful tools for navigating your dental benefits through the MySmile member portal. Learn more at www.deltadentalwa.com/mysmile
